

2026 *TOYOTA* PRADO TXL-3 2.4L PETROL

The 2026 Toyota Prado TXL-3 is a robust and versatile SUV featuring a 2.4L petrol engine paired with a smooth automatic transmission, designed for both on-road comfort and off-road capability. With its 4WD system, this seven-seater offers exceptional handling and traction, making it ideal for adventurers and families alike. The vehicle adheres to Euro 4 emission standards, ensuring a blend of performance and environmental responsibility. Equipped with modern amenities and safety features, the Prado TXL-3 combines practicality with a stylish design, making it a top choice in its class.

The 2026 Toyota Prado TXL-3 is powered by a 2.4L turbocharged 4-cylinder engine delivering a maximum output of 267 HP at 6000 RPM and impressive torque of 430 NM between 1700 and 3600 RPM. It features an efficient 8-speed automatic transmission, ensuring a smooth driving experience. The full-time 4WD system, equipped with a transfer case (HI/LOW) and central differential lock, enhances traction and stability on various terrains. With a substantial fuel tank capacity of 110 liters, the Prado achieves a fuel consumption of 10.6 km/L. This spacious SUV comfortably seats seven passengers, including the driver, and is fitted with robust 265/65R18 tires. Its dimensions—5005 mm in length, 1980 mm in width, and 1992 mm in height—contribute to its commanding presence on the road.

The 2026 Toyota Prado TXL-3 features a luxurious interior with leather upholstery and a powered driver seat, complemented by ventilated and heated front seats for optimal comfort. The leather steering wheel and shift knob enhance the premium feel, while controls on the steering wheel provide easy access to functions. A 7-inch multi-information display, dual-zone automatic climate control, and illuminated vanity mirrors add practicality, alongside automatic power windows and a tonneau cover for cargo security. For entertainment, it offers a 12.3-inch audio display with USB-C and HDMI ports, Apple CarPlay compatibility, and a 6-speaker sound system. Additional conveniences include a smart entry system, engine start/stop button, remote engine starter, moon roof, cool box, front and rear parking sensors, courtesy lamps, and a rear camera, creating a sophisticated and comfortable driving experience.

The image shows the interior of a vehicle, specifically the third row of seats. The seats are upholstered in a dark, textured material, likely leather or a high-quality fabric. Each seat is equipped with a 3-point seat belt, which is visible as a dark strap with a red buckle. The seat belts are anchored to the vehicle's frame. The overall lighting is bright, suggesting the vehicle is parked outdoors in daylight. The perspective is from the side of the seats, looking towards the rear of the vehicle.
