2026 TOYOTA LANDCRUISER PRADO TXL 2.8L AT

The 2026 Toyota Prado TXL 2.8L Diesel 4WD is built for drivers who demand strength, refinement, and versatility in one premium SUV. Powered by a robust 2.8L turbo diesel engine delivering 201 HP and an impressive 500 Nm of torque, it confidently handles city roads and extreme terrain alike. Its full-time 4WD system with low-range transfer case and central differential lock ensures unstoppable performance. The bold exterior design features striking rectangular LED headlights, LED DRLs, fog lamps, and a silver front grille that enhance its commanding road presence. With 18-inch alloy wheels, side steps, roof rails, rear spoiler, and power back door, the Prado TXL blends rugged capability with modern elegance, making it the perfect companion for adventure and daily driving.

Step inside the 2026 Toyota Prado TXL and experience comfort crafted for every journey. The spacious seven-seat layout is complemented by premium leather seats, a power-adjustable driver's seat, and ventilated and heated front seats for year-round comfort. Dual-zone automatic climate control in the front and rear ensures all passengers enjoy a pleasant ride, while the moonroof adds an airy, luxurious feel. A 12.3-inch display audio system with Apple CarPlay, USB-C and HDMI connectivity keeps everyone entertained and connected. Thoughtful features such as a cool box, power back door, illuminated vanity mirrors, and multiple charging ports across all rows reflect Toyota's attention to detail, making long trips effortless and enjoyable for families and professionals alike.

Safety and confidence are at the core of the 2026 Toyota Prado TXL. Equipped with comprehensive airbags, ABS, Vehicle Stability Control, Traction Control, and Tyre Pressure Monitoring, it offers peace of mind in every situation. Advanced off-road technologies like Crawl Control, Downhill Assist Control, and Drive Mode Select allow you to conquer challenging terrain with ease. Convenience features including smart entry, push-button start, cruise control, a 4-way camera, front and rear parking sensors, and rear camera simplify daily driving and parking. The Parking Support Brake and hill-start assist further enhance control and safety. With its perfect balance of power, luxury, and advanced technology, the Prado TXL is an SUV designed to exceed expectations and elevate every drive.
